

## **Privacy & Our Website: Aspire Federal Credit Union**

Aspire values your trust and confidence, no matter how you are interacting with us. We adhere to our Privacy Policy at all times, including at the branch, on the phone, through the mail and on the Internet.

Because the Internet is a different medium, we have adopted standards and practices that we use to protect your privacy. These work in conjunction with our existing Privacy Policy.

Aspire is committed to protecting the information of members and visitors who use our website.

### **Secure Transmissions**

Aspire uses encryption technologies such as Secure Socket Layer (SSL) to protect information you submit on our website.

### **Cookies**

We may receive and store certain types of information when you use our website. Like many websites, we use "cookies" to let you personalize our site, to allow you to avoid re-entering information when returning to the site and to gather data about how visitors use our website. A cookie is a small piece of information that a website stores on the computer you are using which can be retrieved later. The cookie cannot be read by a website other than the one that sets the cookie.

### **Information Gathered Online**

As with information we collect through other means, we use the information you provide online to respond to your needs, service your accounts and provide you information about other services.

### **Children**

We do not knowingly solicit information from children under 13 without parental consent. Aspire is committed to protecting children's identities and information online.

### **Links to Other Sites**

We provide a variety of links to non-Aspire websites, such as merchants and information sources. While we attempt to monitor these sites to maintain our high standards, we offer these links only as a convenience to our members. We do not control any of these sites and are not responsible for the privacy or security in these sites. If you choose to link to one of these sites, we strongly suggest that you review their privacy statement.
